Subject: Odessa Biodiesel Site-request for information

Ms. Leefers: I am following up our telephone conversation this morning regarding the requests for information sent to my clients, Odessa Union Warehouse Co-op and Reardan Grain Growers, Inc.

This will confirm that you agree to extend the time for response to the EPA's request for information to March 2nd.

I appreciate very much your consideration.

Please feel free to contact me with any questions or comments.

Thanks.
